Hey Guys I am so impressed with the new bike. I just want to again express my gratitude to all that made this possible. Thank you all. I have already had a lot of guys ask me who & where I got it from. I just told them to write down the email address off the rear stays.

She is off to Germany in Sept for the World Triathlon Championships. Anyway Guys, stay in touch & thank you once again. Here is one quick, of more to come!-----Kim Stevens, Australia
