Mix1 Racing is a Boulder Colorado based, ACA-registered bike racing team. The team was established to support the growing demand for competitive amateur racing in Boulder County, and to help evolve excellent bicycle awareness and stewardship within the community. Mix1 Racing is focused on men's Category 3 racing and will compete primarily in the Rocky Mountain States of Colorado, Wyoming and New Mexico. Lisa Fitch, former European Pro rider and certified USA cycling coach, is coaching the team. Mix1's squad of 20+ riders hopes to replicate last year's success in 2008 with podium finishes in road races, criteriums, hill climbs and time trials. The team will also undertake local outreach programs in the Boulder community, including support of the Davis Phinney Foundation. Races for 2008 will include Deer Trail, Koppenberg, Boulder Beer, Dead Dog Stage Race, Salida, and a slew of criteriums throughout the season.
